A thousand joyful wishes dear
A happy Christmas and New Year
For me —
This keeps luck the Yule logs glow
And you beneath the mistletoe

Christmas Greetings
Though it's cold and

That can't make
a Kewpie blue
Especially when
he is sliding
With good wishes
straight to you

I send a Kewpie here to do
A little Chr stmas chore or two
See h m prepare
The Yu e log there
While I am wishing skies of blue
And the gladdest year of all for you

That [illegible] Easter Day
They may be the first to meet you
